Afinety recognizes that an important part of any business' success is when one client's trust results in a referral to a new client. We appreciate your confidence in Afinety and would like to reward you for referring your friends and colleagues to us.

Refer Afinety and Receive an Apple iPad!

Referred business from our satisfied clients is a key to our success. Because of this, we'll be kicking off the New Year with a fresh Referral and Rewards Program! Here's how it works:

Refer a firm to us and you'll receive your choice of an Afinety Buck, which is redeemable for 1 hour of any Afinety services or a Visa Gift card worth \$50.00!

If your referral hires Afinety as their IT service provider and we install a Standardized network, you will receive your choice of an Apple iPad or 4 Afinety Bucks with our deepest appreciation.
