

Rewards Program

877-4AFINETY

Afinety recognizes that an important part of any business' success is when one client's trust results in a referral to a new client. We appreciate your confidence in Afinety and would like to reward you for referring your friends and colleagues to us.

How the Rewards Program Works...

Just refer another firm to your Account Executive and we will send you one Afinety Buck! Every Afinety Buck is redeemable for Afinety Services. Simply send in your Afinety Bucks with your next payment and let us know which labor items you would like them applied against.

If your referral hires us as their IT provider, you may choose between an additional 4 Afinety Bucks, or an iPod or similar gift.

Thank You.

You are the foundation from which our business grows. This Referral Rewards Program is a just one way to show our appreciation to you, our valued client.
